## Upcoming discontinuations

Pieces that are part of our catalog that are close to being sold out and will therefore be discontinued shortly. Like all the figures in our Studio's collections, the molds will be destroyed to guarantee the number of copies of the edition, thus acquiring the pieces, a revaluation in the collecting market.

## The Third Dimension of the Ninth Art

Collection that pays tribute to the fetish characters that emerge from the vignettes that forge the history of the 9th art, that is, comics. From the universal classics to the most irreverent avant-garde of the underground, they all come together face to face with a single objective, to bring to sculpture the paper heroes and villains of one of our favorite artistic expressions, the comic, ...that is, the 9th Art.
